Newsletter 28 Friday 20th April 2020

## Welcome Back Everyone

Welcome back, we hope that you have all had a peaceful and restful break during what has turned out to be a very surreal Easter for us during this pandemic. We return to our virtual learning for the Summer Term. If you have any queries, you can contact us either by email:

**admin@kingswolverhampton.co.uk** or telephone **01902 558333**, an answerphone service will also be available, messages will be checked on a regular basis, and your queries will be dealt with as soon as possible. School is open to the children of keyworkers, thank you for all you are doing!

## Latest Guidance & Advice for Parents/Carers

Please see the latest advice on what parents and carers need to know about schools and education during the coronavirus outbreak. As of 20th April. [Click here](#)

The Citizens Advice Service are available should you need any support with general living costs at this time.

## Food Voucher Information

Dear Parents & Carers

We hope that you are well and staying safe during this difficult time. To support families now and in the future, we are continuing to carry out checks to see whether pupils are eligible for free school meals. The government has recently announced that all children who are eligible to receive free school meals are entitled to receive a £15 food voucher every week during this period of time away from school. For example, if your employment circumstances have changed in recent months your child could now be eligible to receive a £15 food voucher each week. To find out we just need to run a simple check using your **National Insurance number** and **Date of Birth**.

If you wish to send it directly to Mrs Grewal to speed things up, please email her at

[m.grewal@kingswolverhampton.co.uk](mailto:m.grewal@kingswolverhampton.co.uk)

Thank you for all your help.

Mr Ludlow

## From the Chaplain....

'Do not be afraid'. This phrase is repeated again and again by Jesus to his friends during the resurrection appearances and seems very relevant to us now. Easy to say, but a lot more difficult to live without fear especially when we are bombarded every day with news of how many new deaths there have been and the lack of protection and resources for our health and care workers and we wonder whether our own resources will last until life returns to some semblance of normality. So where do we look for the courage and stability which will help us to hope and trust in a positive outcome? I am writing this at school, with the few pupils we have remaining. After break we are going to plant seeds and runner beans. Just as we feel trapped in our social isolation, so too a seed is trapped in a hard shell, and in that state it waits all through the dark days and freezing temperatures of winter until the light and warmth of the sun return in spring. In fact some seeds even need the harsh conditions of freezing temperatures or even fire, without which they would never germinate. We might look back on our lives and recognise times when we suffered physical, emotional or mental pain. Perhaps we felt isolated as though nobody understood what we were going through. Perhaps, even though we would never wish to go through the experience again, we can now look back on those times and recognise that we have grown through them. We are more appreciative of the good things in our lives as a result; we grew in patience or generosity, resilience or creativity; and having suffered somehow allowed us to be transformed into the person we are today. As we plant our seeds today we will remember that the dark times are temporary and that they are necessary for our growth. Even now the green shoots of human kindness and creativity can be seen in the stories of people reaching out to support and encourage others. Our planet was in crisis, but pollution is suddenly clearing and nature is flourishing again. Soon there will be a new time for growth, and life, albeit in a new and changed form, will flourish once more.

**Gold Awards this week**

**Congratulations to**

**Dennis Hamilton**  
**Karina Cheema**  
**Rhoda Frimpong**  
**Ernesta Berzanskis**  
**Brandon Wesley**  
**Leila Khawari**

## Next Week's Theme for Worship

**The Resurrection**

**1 Corinthians 15:1-11**

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
