

15th November 2020

Dear Parents

Arrangements for week beginning Monday 16th November

We have a growing number of staff having to self-isolate as the NHS track and trace app has identified them as being in close contact with someone who has tested positive for Covid. This means we have had to review and carefully plan next week's timetable to find the best way we can deliver the highest quality of teaching and learning to all in these most challenging of times.

The plan for next week is for

- **All year 10 pupils to come to school for periods 3 to period 6 on Monday, Tuesday and Wednesday.** Pupils will register in their period 3 lesson and then follow their normal timetabled lessons for the rest of the day. The work for period 1 and 2 on these days will be emailed out to all year 10 pupils and be uploaded on to class charts. The pupils will be expected to complete the work independently. Our current plan is that year 10s will be in school for the usual times, 9.15am to 3.30pm on Thursday and Friday.
- **All year 11** to continue to self-isolate at home with lessons being taught on TEAMS or the cover work being emailed and uploaded on to class charts.
- **All other years** to follow the normal timetabled lessons with some being taught remotely on TEAMS with the class being supervised in the room and some being covered where necessary.

We will be reviewing the arrangements regularly and will be updating you with any changes in the usual way.

Thank you for your ongoing support with all the arrangements. I continue to send my thoughts, prayers and best wishes to you all and particularly to those who are affected by the on-going pandemic. Please do get in touch with us at school if you have any questions or require any support by emailing covid19enquiries@kingswolverhampton.co.uk.

Yours faithfully

James Ludlow
Principal

*"Be joyful. Grow to maturity. Encourage each other. Live in harmony and peace.
Then the God of love and peace will be with you." 2 Corinthians 13 v11*
