Christmas Fayre

The Parents Staff Association will be holding a Christmas Fayre on 10th December 2019, this will run before the Christmas concert and during the interval. We have got a variety of stalls for you all to look at perhaps buy that extra Christmas present.

If you would like to hire a stall you are welcome to contact Mrs.T.Badger who can book a stall for you. The cost would be £5 to hire a table and 25% of taking to go towards PSA funds. This is our first event with a lot more planned during the year.

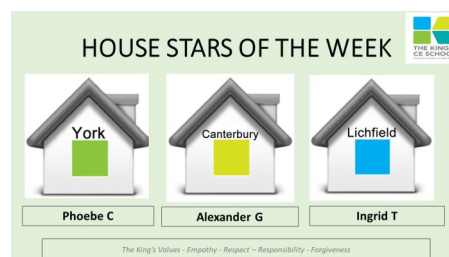

Also if any parent /carer would like to join the committee or help at functions it would be lovely to hear from you. We would like to hold a Tombola stall, if you would like to make a contribution, all donations will be gratefully received by Mrs Grewal at Student Services.

The King's School Advent Appeal

Our aim this year is to break the cycle of disease and debt for a community or a school in a developing country by raising £240 to twin a block of toilets. This will provide safe toilets, clean water and training for a community and will save lives. Form groups are going to be invited to collect their loose change and to take part in some fun fundraising activities. Please support us if you feel able!

Pre-Loved Uniform

Dear Parents and Carers, we are in the early stages of collecting uniform so that we can start a pre-loved uniform store. If you have any outgrown uniform items that you would like to donate, we would be very appreciative. All donations can be handed in for the attention of Mrs Badger.

Many thanks.

Mrs Badger, Safeguarding Manager.

From the Chaplain.....

Hundreds of years before Jesus' birth, the prophet Isaiah had a message for the people of Israel who had been taken into exile and must have despaired that their God had abandoned them: 'Don't give up, God will come and put everything right; it will be better than you can imagine!'. This week has seen me struggling to get over a nasty bug and the frustration of waking up day after day without seeing the progress I had hoped for did lead to some despair at times. Isaiah's words seemed particularly relevant to me. Of course, I knew that I would get well eventually, but I can think of plenty of aspects of life (such as our current political situation) where it is more difficult to apply that same hope and confidence.

Advent is a time for looking forward in hopeful expectation to the fulfilment of God's promises: a time when all will live together in peace, there shall be no more war or fear and all people shall be valued and treated with justice and dignity. It is also a time when we need to ask ourselves, 'What can we do to be ready for that day?'. Our school advent appeal this year is all about bringing some justice and dignity into places of suffering and despair.
