PE News

On Wednesday 29th January the year 10 boys competed in their Wolverhampton basketball league match against St Edmunds. It was a superb match with some outstanding basketball being played from both sides. We were just to string in the end running out 53 - 32 winners.

Christchurch Visit

On Friday 31st January we welcomed Christchurch Junior students into school. The students loved their day with us. They were surprised at our outstanding facilities, impressed with our Mature Year 10 leaders and have loved all of the workshops involved. They have taken part in a range of activities, including: making keyrings and cakes, sports sessions, a drama workshop and music and science sessions.

Yr 8 Computing Day

A successful day for our year 8's took place on Thursday 30th January, with students learning about how computers work. They learnt about the essential internal component and how computers think in a digital and logical way!

Year 9 Parent's Evening

Year 9 Parents' Evening will take place on Thursday 13th February between 4:30pm and 7:30pm. During the evening, you will be able to meet with subject teachers and senior leaders. The evening will also be an excellent opportunity to find out about the GCSE options process.

King's PSA

We are busy starting to organise for our next events:

Chocolate/Easter egg Tombola - 17th March 2020

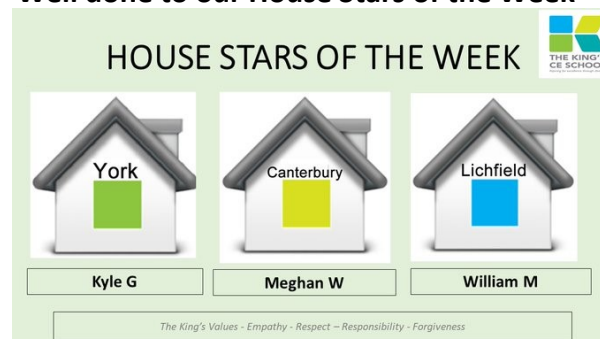

Year 7 Disco - Friday 20th March 2020

We are looking for parents/careers to help at these events.

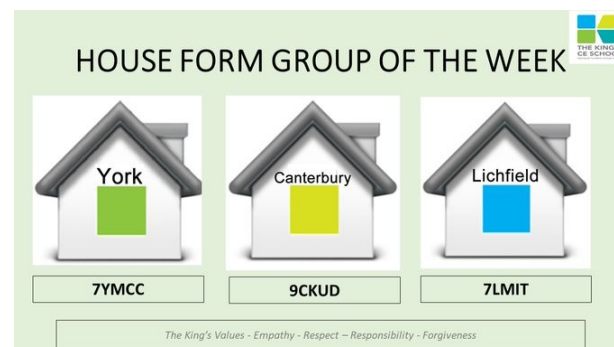

The next meeting of the PSA will be on Saturday 8th February 2020 @ 11am - Cute's coffee lounge Tettenhall Wood.

All welcome.

Well done to our House Stars of the Week

Well done to our House Form Group of the Week

Streetwatch

At the recent Streetwatch AGM, a West Midlands Police initiative, our wonderful Wolverhampton cadets received a big Thank you for all their hard work, Congratulations everyone!

Funding

Dear Parents and Carers

In the last 4 weeks we have received over £5000 extra funding for the school and 6 extra pupils are now receiving Free School Meals every day.....

Could your child also be eligible for Free School Meals and could the school be missing out on some valuable funding?

To find out we just need to run a simple check using your **National Insurance number** and **Date of Birth**. Mrs Grewal will be contacting families over the next few weeks to gather this information. If you wish to send it directly to Mrs Grewal to speed things up, please email her at **m.grewal@kingswolverhampton.co.uk**

Thank you for all your help.

Mr Ludlow

Principal

The Real Apprentices Event

This week has been National Apprenticeship week, an annual celebration of apprenticeships that bring the whole apprenticeship community together to celebrate the impact of apprenticeships on individuals, employers and the economy. With the success of past events, The Hawthorns, Home of West Bromwich Albion Football Club hosted another Apprenticeship Event on Friday, giving many schools the opportunity to visit up to 25 provider/exhibitor stands as well as the chance to talk with 'Blind Dave' & listen to his inspiring stories of achievement along with competitions, interactive stands and refreshments.

Ms Arnold accompanied 23 of our students to the event.

Pre-Loved Uniform

Dear Parents and Carers, we are in the early stages of collecting uniform so that we can start a pre-loved uniform store. If you have any outgrown uniform items that you would like to donate, we would be very appreciative. All donations can be handed in for the attention of Mrs Badger.

Many thanks.

Mrs Badger, Safeguarding Manager.

From the Chaplain.....

Suffering pain. Suffering disappointment. Suffering humiliation. Suffering bereavement. These are all part of our common human experience, and yet can cause us to feel very alone, very isolated. Our Bible story this week tells of the plagues suffered by the Egyptians as Pharaoh refused to release the Hebrew people from captivity. For those of us who have grown up with the image of a loving, merciful and benevolent God the idea of a god who punishes and causes suffering might seem quite alien. Nonetheless, the reality of God allowing suffering to take place cannot be denied. Knowing that the challenges in life are what shape us, transforming us into more tolerant, resilient and generous human beings, may not be much comfort at the time. Knowing that God himself came and suffered on Earth as humans do and knows what we are going through, might help a little. Knowing that he now offers to accompany us through whatever we face in life, going ahead of us into difficult situations and staying with us throughout, means that we are never truly alone. And knowing that God has a plan and that he is working with us and for us that all shall be well that all shall flourish, brings us hope for the future.

Next Week's Theme for Worship:

The Life of Moses:

The Escape

Exodus 12:5-31
