Congratulations to our students.....

We would like to congratulate the Post 16 students that took part in the Bar Mock Trial at Birmingham Crown Court on Saturday. They worked hard, were excellent representatives of The King's CE School, and they made us very proud.

Well done to Sam in Year 10 who competed in Karate at the Latvian Open U16 Category over the weekend. Sam won a bronze medal against competitors from around Europe

The Princes Trust

On Thursday we saw the start of the Princes Trust Mosaic mentoring programme at school. A group of Year 10 students will be working with Prince's Trust Mentors to develop their confidence and improve their chances of fulfilling their potential!

Basketball News.....

On Wednesday the Wolverhampton City basketball finals took place at St Peters school. Over the course of the competition over 105 teams and 300+ boys competed across years 7-13. The King's were extremely successful, winning years 11+ and Year 9/10 competitions. There was also a 3rd place finish for another year 9/10 team, with the Year 8 boys finishing 4th overall. This term has been very successful for The King's basketballers. Let's hope they can continue this with the Wolverhampton basketball league and Junior NBA.

From the Chaplain....

In the hustle and bustle of our daily lives, it can be difficult to remember. Our minds are full of a thousand different jobs to do and we are surrounded by distractions needing our urgent attention: we simply don't seem to have the time to reflect. Remembering takes discipline and focus. Remembering can sometimes be emotionally draining as well as mentally exhausting. However, remembering is important. It is how we reflect on a time, a place, a person or an event that was important to us, that had an impact on us or that changed us in some way. As an individual, it is how we reflect on and learn from our past and decide on the path we will take and the person we will be in the future. On a global level, it is how we learn from the atrocities of the past and consider how we should react to the atrocities still taking place today.

We marked Armistice Day together as a whole school community this year with a time of silence and by laying a wreath. In our times of worship, we have reflected on Jesus command to 'love one another' and what that might mean for us, as we attempt to live in peace with one another day by day.

Next week's Theme for Worship:

Christ the King

John 1: 1-14
