

Dear Parent,

Class Charts is an online system which teachers use to track achievement and behaviour throughout the school day. We believe in working closely with parents and one of the key benefits of using Class Charts is that we are able to securely share your child(s) achievement and behaviour report with you and so keep you up to date in real-time.

Each child has a unique access code which is enclosed in your envelope. You will be able to use this code to create an account and enter the code here:

<https://www.classcharts.com/parent/login>

Links to mobile phone apps are also available to parents from this page.

If you have more than one child in the school then you can enter additional codes once you have created an account and are logged in. You will also find enclosed your child's behaviour log for this academic year.

Please do get in touch if you have any questions.

Yours sincerely

P. Sutton
